EXEMPT ADMINISTRATIVE, PROFESSIONAL, AND TECHNICAL EMPLOYEES

An exempt administrative, professional, and technical (APT) employee is exempt from the overtime requirements of the Fair Labor Standards Act. This means that exempt APT employees are not eligible for overtime pay, but are expected to work however long it takes to complete duty assignments. In recognition of this increased responsibility, the District provides enhanced benefits for exempt APT employees.

To qualify as an exempt employee, APT positions must meet certain requirements. The first requirement is a salary threshold. To qualify as exempt, an employee must be paid on a salary basis as follows:

- January 1, 2024 - \$1057.69 per week (\$55,000 per year)
- January 1, 2025 – \$1,128 per week (\$58,656 per year)

Additionally, exempt employees must have specific job duties. There are three main job duty exemptions:

1. Executive Exemption

To fall under the executive exemption, employees must meet each of the following requirements:

- The employee’s primary duty must be managing the District or a customarily recognized department of the District.
- The employee must direct the work of two or more full-time employees.
- The employee can hire or fire other employees, or can give recommendations about a change of status of other employees.

2. Administrative Exemption

To fall under the administrative exemption, employees must meet each of the following requirements:

- The employee’s primary duty must be the performance of office or non-manual work related to the general business operations of the District.
- The employee can use his or her own discretion and independent judgment when performing tasks.

3. Professional Exemption

To qualify as a “learned professional,” the employee must meet each of the following requirements:

- The employee’s primary duty must be the performance of work that requires advanced knowledge and discretion.
- The required advanced knowledge must be in a field of science or learning.
- The employee must gain the required advanced knowledge from a prolonged course of specialized intellectual instruction.

WORK DAY AND YEAR

The contract year for exempt APT employees is August 1 through July 31 of the following year. The school year is that period of time between July 1 and June 30 when instruction of students is expected to occur in accordance with the school calendar or as scheduled for after-school or summer school programs. The actual days worked during a school year may start as early as July and end as late as June in any given work year. The number of workdays will vary among exempt APT employee positions. The number of workdays for each position will be disclosed on the salary schedule for each type of position, documented in the Office of Human Resources, and posted on the District's website.

Workday shall mean the period of time when exempt APT employees must be present at given building or sites, as determined by the immediate supervisor, and time needed to perform responsibilities and duties included in the exempt APT employee's job description or as may be assigned by the immediate supervisor.

The Office of Human Resources will publish calendars for students, twelve-month employees, and other positions as needed.

INSURANCE

Exempt APT employees who are full time employees and are not a part of an association or meet and confer group shall enjoy the same insurance benefits as other employees of Pueblo School District 60. Current insurance benefits include the following:

I. HEALTH, DENTAL, AND VISION INSURANCE:

- A. **INSURANCE COMMITTEE:** The District utilizes an insurance committee of no more than 20 employees. This committee shall determine the insurance benefit programs and make recommendations to the Board through the Superintendent. This committee will consider matters concerning all insurance issues such as, but not limited to, plan design, coverage, and the cost effectiveness of the offerings. Specific contributions toward the cost of coverage shall be determined through negotiations between the District and the Associations (s).

The committee shall forward recommendations that are approved by the majority, to the Board of Education, through the Superintendent, along with a Minority Report, if one exists. One-half of these members shall be selected by the Association (s) to represent the Association(s), and one-half of these members shall be selected by the District to Represent the District. This Committee shall set ground rules, undergo training, and shall meet a minimum of once per month. The committee can meet twice monthly if voted on by the majority of the committee.

The Association(s) and the District each shall designate a Co-Chair. The Co-Chairs will set the agenda, review minutes, plan trainings, and any and all other duties as assigned by the committee. The District will provide clerical support for the committee to take and distribute minutes, agendas, calendar of meetings, and any other relevant information. Two weeks prior to the meeting, an e-mail reminder, with minutes of the last meeting, and a request for agenda items will be sent out.

- B. **HEALTH, DENTAL, AND VISION PLAN:** Effective August 1, 2024 the District shall contribute up to \$675 per employee per month toward health, dental, and vision insurance plans provided by the District. The actual contribution shall not exceed the full cost of the coverage selected by the employee. The contribution shall be remitted to the District's health, dental and vision insurance carriers. In the event that the employee's spouse is a District employee, the District will contribute up to \$675 for each spouse toward the cost of full family coverage or employee and spouse coverage, whichever applies.

II. LIFE INSURANCE AND ACCIDENTAL DEATH AND DISMEMBERMENT:

The Board shall provide at District expense for each eligible active full-time employee on employment contract a group life and accidental death and dismemberment policy, a dependent group life insurance policy.

Employee Life and Accidental Death and Dismemberment Insurance:

The amount of coverage shall be in accordance with annual earnings and shall be determined each September 1. Annual earnings shall not include overtime pay, bonuses, or other special compensation.

Life Insurance Benefit:

Two (2) times annual earnings, rounded to the next lower multiple of \$100, If not already a multiple of \$100. The maximum amount is \$500,000.

Group Dependent Life Insurance

The dependent life insurance schedule provides dependent coverage only during the employee's active years of full-time employment in the District. An employee covered by the group life policy and the accidental death and dismemberment policy cannot also be treated as a dependent under the group dependent life insurance schedules; therefore, when an employee and their spouse both work for the district, it is not possible to insure each other. In such cases where there are eligible children, they will be insured as the dependent children of one parent or the other, but not both.

Schedule of Benefits For Dependent Life Insurance

Spouse: Not employed in District	\$1,000
Children: Live birth through age 19 or if full-time college student, through age 24. Covered amount per child	\$1,000

There may be situations that require an immediate status change for an exempt APT employee, including demotion or termination, as determined by the Superintendent or designee in his or her sole discretion.

The Superintendent or designee may change an exempt APT employee's work assignment or job status at any time to meet the needs of the District. The Superintendent or designee will notify the exempt APT employee in writing and give the reason for the reassignment. The exempt APT employee will be provided an opportunity to discuss the reassignment with the Superintendent or designee prior to the effective date of the reassignment, when reasonably possible.

CONFLICT RESOLUTION

As problems arise, good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. It is in the best interest of all parties to secure equitable solutions to problems at the lowest administrative level. These proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Employee complaints alleging discriminatory treatment by the District based on the complainant's age, religion, national origin, gender, race, marital status, disability, creed, color, sexual orientation, gender identity/expression, ancestry, genetic information, pregnancy or childbirth status, other status protected by law may be filed under the District's procedures for resolving discrimination complaints and can be found in Board policy AC and AC-R.

Other issues or complaints must first be discussed with the exempt APT employee's immediate supervisor in an effort to resolve the situation. If the issue or complaint involves the exempt APT employee's immediate supervisor, the employee may discuss the issue or complaint with his or her supervisor's immediate supervisor. If the issue or complaint is not satisfactorily resolved at this level, the matter may be presented to the Assistant Superintendent of Human Resources or Director of Human Resources, whichever applies, for conflict resolution.

In order to allow an exempt APT employee reasonable opportunity to provide a thorough response to a complaint from another employee, the exempt APT employee shall meet with the Assistant Superintendent or Director of Human Resources, whichever applies, prior to the hearing to discuss the proposed response. The exempt APT employee may also request that another administrator or exempt APT employee accompany him/her into the hearing as an advocate.
